Hanover Senior Rides has over 100 registered riders and the program continues to grow! Riders must be able to walk or be supported by a cane or a folding walker and give 7 days notice when requesting a ride.

Volunteers Needed

We need volunteer Drivers and Ride Coordinators to handle the ride requests. Coordinators confirm the requests and enter them into the Ride Scheduler Program. Drivers pick up the riders and deliver them to their destination. Drivers are DMV & background checked, AARP Safe Driving trained, and paid 50 cents per mile to use their own vehicle. Liability insurance is provided.

Call the phone numbers on the front for more information!
