Senior Rides

This program provides transportation to medical appointments, the grocery store, the bank and other personal business for seniors age 60+ who cannot drive themselves.

Seniors who need a ride, call our Ride Coordinator with the details of their need. The Coordinator will schedule the trip with a driver and call the rider back.

Seniors must be ambulatory, but may use a cane or folding walker for stability. We are not equipped to accommodate wheelchairs.

We rely on volunteer drivers who use their personal vehicle to transport riders. All drivers are qualified through background checks and driver safety training. MCEF provides liability insurance coverage.

If you wish to participate in the Senior Rides program as a rider, a driver, or a coordinator, please call **804-357-9360**.

MCEF's mission is to help families...

- handle financial emergencies
- improve their quality of life
- maintain their independence
- prevent homelessness
- promote health & wellness

"If anyone has material possessions and sees his brother in need but has no pity on him, how can the love of God be in him? Dear children, let us not love with words or tongue but with actions and in truth." — 1 John 3:17-18

Thousands of volunteer hours and the generosity of churches, individuals, and the business community make the ministries of MCEF possible. We strive to be excellent stewards of all that is given to us.

About Us

Many people live paycheck to paycheck with little or no savings. A medical emergency, car accident or lost job, makes it a struggle to keep up with the rent, utility bills, medicines, food, and clothing for their family.

In 1976, churches in Mechanicsville began working together to help these families by forming **Mechanicsville Churches Emergency Functions** or MCEF. Today, over 35 churches as well as businesses & individuals combine their mission resources to help our neighbors in need to get back on their feet.
